

Here We growagain!

want to share our plans with you.

Thank you for supporting local air service and for your patience during construction.

with ease.

Estimated completion date - end of 2022.

We're doubling our space to improve your airport experience.

Check-in and bag drop

security with your carry-on.

More space, more choice. Check-in with an airline

drop lets you lighten your load before heading to

agent or use a self- serve kiosk. Our new checked bag

Boarding gates Departure lounge Four new gates, make six total to get Expanded seating area provides you on board your aircraft and on your more space to relax and prepare to board your flight. way faster. Domestic arrivals New building with two dedicated baggage belts allow you to collect your bags and be on your way International arrivals= More space to deplane, collect your bags and clear Canada Border Services on your return to Canada.

Curbside and parking

Extended curbside drop-off and pick-up

areas to keep vehicles moving and reduce

crowding. Additional parking on-site with

Park 'n Fly nearby (free shuttle).

AVIA · NG

Existing building

on your way.

Food, drink and retail

More choices before your flight - licensed

restaurant, "grab and go" marketplace and

retail shop, all showcasing local favourites.

Expanded space and a third screening line

to get you through security quickly and

Security screening

Outbound baggage

New baggage handling system to transport

your checked bags from the ticket counter,

MCMILLAN ASSOCIATES ARCHITECTS

through security to outbound baggage.
